REQUEST TO CHARGE DEPOSIT ACCOUNT

The Assistant Commissioner for Patents
Washington, DC 20231

Dear Commissioner:

I have recently learned that our prior Response bearing a certificate of mailing date of Sept 5, 2000, was probably not actually deposited with the US Postal Service until the next day, Sept 6, 2000. This would necessitate an additional one month extension of time. I included with our prior Response an appended petition for any necessary extension of time pursuant to 37 CFR 1.136(a) and authorized the Commissioner to charge any fees to our Deposit Account No. 19-0750. Assuming you have already charged our deposit account \$55 for one month's extension, please charge our deposit account an additional \$140 for the balance of a second month's extension.

Applicants hereby petition for any necessary extension of time pursuant to 37 CFR 1.136(a). The Commissioner is hereby authorized to charge any fees or credit any overcharges relating to this communication to our Deposit Account No. 19-0750 (order no. UC99-244-2).

Respectfully submitted,
SCIENCE & TECHNOLOGY LAW GROUP
